Urban Geography

Contents

Preface

List of Figures

PART ONE : NATURE OF URBAN GEOGRAPHY

1.	Meaning, Scope and Nature of Urban Geography	1-7
1.	Meaning and Definition of Urban Geography	1
2.	Scope of Urban Geography	3
3.	Nature of Urban Geography	5
	<i>References</i>	7
2.	Development of Urban Geography	8-13
1.	German Contribution	8
2.	French Contribution	9
3.	British Contribution	9
4.	Anglo American Contribution	10
5.	Indian Contribution	11
	<i>References</i>	12
3.	Approaches to the Study of Urban Geography	14-23
1.	Systematic Approach	14
2.	City System Approach	15
3.	Historical Approach	16
4.	Morphological Approach	17
5.	Functional Approach	17
6.	Spatial Analysis Approach	18
7.	Behavioural Approach	19
8.	Humanistic Approach	21
	<i>References</i>	21
4	Fundamental Concepts in Urban Geography	24-33
1.	Town and Urban Area	25
2.	Rural-Urban continuum	25
3.	Urban Site and Situation	26
4.	Legal City and Geographic City	26
5.	Primate city	27
6.	Central Place	27

7. Urban Hierarchy.....	28
8. Urban Economic Base.....	28
9. Urban Morphology.....	29
10. Rural-Urban Fringe.....	29
11. Umland or City Region.....	30
12. Suburbs and Satellites.....	30
13. Urbanization.....	31
14. Conurbation.....	32
References.....	33

5 Changing Paradigms of Urban Geography 34–40

1. Exploration Paradigm.....	35
2. Environmentalist Paradigm.....	36
3. Regional Paradigm.....	36
4. Spatial System Paradigm.....	37
5. Behavioural Perspective Paradigm.....	38
6. Structuralist Paragidm.....	39
References.....	40

6. Concept of Town and Urban Area 41–48

1. Difference between Rural and Urban Settlements.....	41
2. Definition of a Town.....	43
3. Criteria of Definition of a Town.....	44
4. Definition of Urban Area in the Census of India.....	45
5. American Urban Concept.....	46
References.....	48

PART TWO : URBAN PATTERNS

7. Urban Setting : Site and Situation 49–55

1. Factors affecting Site and Situation of Towns :	49
(1) Defensive Sites.....	50
(2) Important Roads.....	50
(3) Railway Stations.....	50
(4) Navigable Rivers.....	51
(5) Sea Routes.....	51
(6) Places of Transhipment.....	51
(7) Trading Site.....	52
(8) Mountain Crossing.....	52
(9) River Estuary and Harbour.....	52
(10) Sites of Mineral and Power Resources.....	52

(11) Industrial Sites	53
(12) Religious and Cultural Factors	53
(13) Special Attractive Sites	54
2. Classification of Towns on the Basis of Site and Situation	54
<i>References</i>	55
8. Concept of Urban Economic Base	56–74
1. Introduction	56
2. Evolution of the Concept	57
3. Methods and Techniques of Measurement	59
4. Methodology Used by Author in a Case Study of Eastern U.P.	64
<i>References</i>	72
9. Functional Classification of Towns	75–124
1. Introduction	75
2. Functional Classes of Towns	76
3. Methods of Functional Classification of Towns	80
4. Functional Classification of American Cities by C.D. Harris	86
5. A Service Classification of American Cities by H.J. Nelson	91
6. Some Indian Classifications	99
7. Functional Classification of Towns of Eastern U.P. : A Case Study	102
<i>References</i>	121
10. Urban Morphology	125–132
1. Definition of Urban Morphology	125
2. Types of Urban Layout Plan	125
3. Outer Shape or Patterns of Towns	127
4. Theories of Urban Internal Structure	129
<i>References</i>	132
11. Urban Retail Trade Structure and Central Business District (CBD)	133–143
1. Retail Structure of Cities :	133
(1) Central Business District	133
(2) Outlying Business Centre	134
(3) Principal Business Thoroughfare	134
(4) Neighbourhood Business Street	134
(5) Isolated Store Cluster	134
2. The Central Business District or C.B.D.	135
(1) Main Characteristics of CBD	135

(2) Delimitation of the CBD	136
(3) Bases of Delimitation	136
(4) Application of the Central Business Index Method Determining the CBD	139
(5) Status of CBD in Indian Cities	143
<i>References</i>	143
12. Demographic Structure of Cities	144–149
1. Major Aspects of Urban Demography	144
2. Population Density Patterns in Cities.....	145
3. Urban Population Density Distribution Models.....	145
4. Comparison of the Three Models.....	148
5. Factors Affecting Urban Population Density.....	148
<i>References</i>	149
13. Role of Centrifugal and Centripetal Forces in the Evolution of Urban Morphology	150–155
1. Process of Evolution of Urban Morphology	150
2. Role of Centrifugal Forces	151
3. Role of Centripetal Forces	153
4. Balance of the Both Forces	155
14. Functional Morphology of Indian Cities	156–177
1. Synonymous Terms of Functional Zone	156
2. Morphological Zones of Cities.....	157
3. Morphology of Indian Cities.....	159
(1) Morphology of an Industrial-Commercial City : Kanpur.....	160
(2) Morphology of a Cultural City : Varanasi.....	163
(3) Morphology of a Cultural-Administrative City : Allahabad	166
(4) Morphology of a Capital City : Lucknow.....	168
(5) Morphology of a Planned Capital City : Jaipur	171
(6) Morphology of a Planned Industrial City : Jamshedpur.....	174
<i>References</i>	177
15. Central Place Theory	178–190
1. Introduction.....	178
2. Main Features of Christaller's Theory.....	179
3. Criticism of Christaller's Central Place Theory	187
4. Losch's Modification.....	188
<i>References</i>	190

16. Rank, Size and Spacing of Cities	191–205
(A) Rank-Size Rule	191
1. Introduction.....	191
2. Clarification of Rank-Size Rule by Example.....	192
3. Calculation of Primacy Index.....	193
4. Graphical Presentation of Rank-Size Rule.....	193
5. Origin and Development of Rank-Size Rule	193
6. Practical Verification of Rank-Size Rule.....	195
7. Comparison of Rank-Size Rule with Central Place Theory.....	197
8. Application of Rank-Size Rule on Indian Cities.....	197
(B) Size-Spacing Relationship	201
1. Introduction.....	201
2. Methods of Size-Spacing Calculation.....	202
3. Determinants of Town Spacing.....	203
References	204
17. Urban Hierarchy	206–211
1. Meaning of Urban Hierarchy	206
2. Difference between Hierarchy and Rank of Urban Centres.....	206
3. Bases of Urban Hierarchy	207
4. Various Attempts Determining Urban Hierarchy	208
References	211
18. Origin and Growth of Urbanization in the World	212–238
1. Concept of Urbanization	212
2. Indicators of Urbanization.....	214
3. Determinants of Urbanization	215
4. Urbanization and Socio-Economic Change	218
5. Origin and Growth of Urbanization	220
6. Patterns of Urbanization in the World	229
7. Main features of Modern Urbanization.....	236
References	237
19. Growth of Urbanization in India	239–256
1. Historical Perspective of Urbanization	239
2. Trend of Urbanization Since 1901	248
3. Regional Pattern of Urbanization in India.....	252
4. Main Characteristics of Indian Urbanization	255
References	256

20. Conurbation : A Form of Urbanization	257–266
1. Introduction.....	257
2. Definition of Conurbation.....	258
3. Urban Expansion and Conurbation.....	259
4. General Characteristics of Conurbation.....	260
5. Factors Promoting Conurbation.....	261
6. Some World Examples.....	262
7. Conurbation and Megalopolis.....	264
<i>References</i>	265
21. Rural – Urban Fringe	267–276
1. Meaning and Definition.....	267
2. Development of the Concept.....	268
3. Characteristics of Rural-Urban Fringe.....	270
4. Types of Rural-Urban Fringe.....	271
5. Factors Responsible for the Rural-Urban Fringe.....	272
6. Delimitation of Rural-Urban Fringe.....	273
7. Significant Criteria for the Delimitation of Rural Urban Fringe.....	275
<i>References</i>	276
22. Suburbs and Satellites	277–282
(A) Suburbs	277
1. General Characteristics of Suburbs.....	278
2. Classification of Suburbs.....	279
(B) Satellite Towns or Satellites	281
1. Meaning of Satellite Towns.....	281
2. Characteristics of Satellites.....	281
3. Difference between Suburbs and Satellites.....	282
<i>References</i>	282
23. Umland or City Region	283–294
1. Meaning and Definition of Umland.....	283
2. Nomenclature (Synonymous Terms).....	284
3. Relation between City and City Region (Umland).....	284
4. Umland as a Planning Region.....	285
5. Types of Umland.....	285
6. Delimitation of Umland.....	286
7. Umland Studies by Indian Geographers.....	289
8. Application of Quantitative Methods in the Delimitation of Umland.....	292
<i>References</i>	292

24. Theories of Origin of Towns	295–303
1. Gordon Childe Theory	295
2. Lewis Mumford's Theory.....	298
3. Henry Pirenne's Theory.....	300
<i>References</i>	302
25. Ancient Urban Hearths	304–313
1. Mesopotamian Urban Hearth	305
2. Egyptian Urban Hearth	305
3. Indian Urban Hearth.....	306
4. Chinese Urban Hearth.....	308
5. Aegean-Greek Urban Hearth.....	310
6. Central American Urban Hearth	311
7. Peru-Andean Urban Hearth.....	312
<i>References</i>	313
26. Different Forms of Cities	314–325
1. Twin Cities.....	314
2. Conurbation.....	315
3. Metropolis or Metropolitan City	317
4. Cosmopolis or Cosmopolitan City	317
5. Megalopolis or Mega City	318
6. Central or Core City.....	318
7. Edge City.....	319
8. Global City.....	322
<i>References</i>	325
PART THREE : URBAN PROBLEMS AND PLANNING	
27. Urban Problems	326–335
1. Problem of Space	326
2. Residential Problem	327
3. Problem of Urban Environmental Pollution	328
4. Problem of Transport	331
5. Problem of Water Supply.....	331
6. Problem of Power Supply	332
7. Problem of Disposal of Solid Waste	333
8. Problem of Disposal of Sewage	334
9. Problem of Urban Crime.....	334
<i>References</i>	335

28. Urban Environment Pollution In India	336–343
1. Meaning of Urban Environmental Pollution	336
2. Principal Types of Urban Environmental Pollution.....	336
(1) Air Pollution.....	337
(2) Water Pollution.....	338
(3) Solid Waste Pollution.....	340
(4) Noise Pollution.....	341
(5) Soil Pollution.....	341
3. Control of Urban Environmental Pollution.....	342
<i>References</i>	343
29. Urban Slums	344–352
1. Introduction.....	344
2. Characteristics of Slums.....	345
3. Causes of Slums	346
4. Slums in Indian Cities.....	347
5. Problems and Strategies	349
<i>References</i>	351
30. Urban Planning	353–367
1. Need of Urban Planning.....	353
2. Meaning and Definition of Urban Planning.....	354
3. Forms of Urban Planning.....	355
4. Types of Urban Planning	356
5. Concepts of Urban Planning	357
(1) Garden City Concept	357
(2) New Town Concept.....	358
(3) Urban Renewal Concept.....	359
(4) Master Plan Concept.....	362
6. Urban Planning in India	362
7. India's Urban Policy.....	365
<i>References</i>	367
Bibliography	368–375
Index	376–379
